HIPAA Authorization Release Form

Medical Information Release

I, _____, (your name), authorize Dr. Taghva to disclose my medical information to the following people:

_____

_____

Unless specified, Dr. Taghva will divulge information strictly in the clinic or hospital settings. Should you wish to be contacted with potentially private information in other ways, please check the areas below:

- ☐ Ok to leave message on cell phone
- ☐ Leave message with callback number only
- ☐ Ok to email at the following email address: _____
- ☐ Ok to leave message on home phone with detailed message

Social Media Release

I, _____, (your name), volunteer to have my medical images (such as MRI and X-Ray films) used and disclosed as set forth in this authorization, primarily on social media (e.g. "before and after photos" on Instagram) to inform the public about neurosurgical procedures. I understand that my name, face, or any patient identifying information will not be disclosed in these posts unless specifically discussed with me.

- ☐ Check here if you do not wish to have your medical images used on social media.

This authorization will remain in effect until revoked by myself. I understand that I have the right to terminate this authorization by submitting a written statement to Dr. Taghva.

For any further questions regarding Dr. Taghva's privacy statements, please feel free to discuss your concern with your doctor. This notice describes how the doctor may use and disclose patient information, restrictions on the use of and disclosure of healthcare information for patient listed on form, as well as the rights each patient has regarding privacy and protection of information.

Patient Signature: _____ Date: _____
